Corona pandemic – Rules of conduct for safe interaction

Creating a safe and healthy work environment is the focus of our work. This is a greater challenge in the current situation than before.

We take compliance with international and national regulations for granted. For this reason, we ask you and your employees to support us in this matter.

Due to the current Covid-19 pandemic, we have established the following measures and rules for visits to our house and for work on our premises in order to ensure the best possible protection of yours and our health.

- Appointments are only taken by our side if they have been registered in advance. We ask for your understanding as a good preparation of the appointment is the most important preventive measure against infectious diseases.
- If you have symptoms of an infectious disease (cough, fever or breathing problems) please do not make appointments with representatives of SKS Welding Systems.
- At this time there is no possibility to change clothes and/or take a shower on the factory premises. Please put on your work clothes before entering the building.
- Unfortunately, it is currently not possible to host visitors. Please bring your meals with you.

We thank you for your help in complying with and implementing the measures mentioned.

A handwritten signature in blue ink, appearing to read 'Markus Klein'.

Markus Klein, CEO

Corona-Verhaltensregeln

Aus aktuellem Anlass bitten wir Sie um Ihre Mithilfe bei der Einhaltung der festgelegten Regeln. Für Fragen steht Ihnen der Arbeitssicherheits- u. Gesundheitsschutz gerne zur Verfügung.

Termin anmelden

Falls Sie Symptome einer Infektionskrankheit (Husten, Fieber o. Atemprobleme) haben, nehmen Sie bitte keine Termine mit Vertretern der SKS Welding Systems GmbH wahr.

Abstand halten

Kein Körperkontakt / Händeschütteln

Tragen Sie einen Mund-Nase-Schutz

Hände aus dem Gesicht halten / in die Armbeuge husten und niesen, Einwegtaschentücher verwenden

Bevor der Meeting-Raum / Schulungsraum oder die Arbeitsstätte betreten wird, waschen und desinfizieren Sie bitte Ihre Hände.
